

A black and white illustration of a hand holding a silver bell over a silver tray. The hand is positioned at the top right, holding the bell by its handle. The bell is tilted, and its surface is highly reflective, showing a grid-like pattern of light and shadow. Below the bell, a hand is holding a silver tray, which is also highly reflective and shows a similar grid-like pattern. The background is a solid dark grey.

SET MENU

THE
CHAPEL
INN

COGGESHALL

1 Course 9.95 - 2 Courses 14.95 - 3 Courses 19.95
